Our workshop sessions start at 10am and 2pm. Please arrive at least 10-15 mins before your workshop starts, so you can meet the presenter, find a good seat and settle in to enjoy your workshop. You will need a printed copy or copy on your mobile, to present. If this is a problem, please contact us on knitfest@hotmail.com before the event and we will have one waiting for you to pick up at the TIX desk. There are Registration Desks at both venues.

If you have booked a children's workshop, it is located just outside the front door at Knitfest Central. If the weather is inclement, we have an area designated at the RSL venue on the Saturday only. All children must be accompanied by an adult.

There are toilets in the venues and yummy food/coffee vans located directly outside Knitfest Central for your convenience. Make sure you take the time to see the yarnbombing displays up the main street, including our Police Station and Ambulance Centre, before or after your workshop. The Knitfest Bus will take you on a free ride around the Festival Precinct.

If you are doing more than one workshop in a day, there will be a lunch break between 12 – 2pm so you can enjoy some of the entertainment and displays around the festival.

We hope you enjoy your workshop. We'd love your feedback after the event.

Kind regards,
